

1  
Where am I going from here?

2  
Just keep going. I'll tell you when.  
When do you go back?

1  
Tuesday.

2  
So soon.

1  
I know. Kinda looking forward to it.

2  
That's fair.

Long beat.

1  
How's all that stuff you were telling  
me about going?

2  
All that stuff?

1  
You know, you were talking about some  
weird stuff with like... you know.  
You called me last month.

2  
I call you a lot.

1  
No you don't.

Beat.

2  
You mean the stuff with like, how  
I'm... feeling, / and

1  
Yeah, like, you / were

2  
Yeah, yeah, I mean...

Yeah, it's, um.

It's been a lot better this week.  
I've had a good week, you being home  
and everything warming up and stuff.

1  
That's good.

2  
Yeah, it's good, it's / good.

1  
Am I turning here?

2  
No, a few / more blocks.

1  
Sorry, I cut you off.

2  
Oh, no, that was... that was it I  
think. Lost my train of thought.

Long beat.

1  
Have you been thinking about, you  
know, like, doing anything... to  
yourself?

Beat.

2  
Yeah.

Sometimes. It's not like crisis mode  
or anything, not like hating my life  
or myself or like you know, just.

Yeah, you know, other stuff.

Beat.

1  
Okay.

2  
Don't worry about me, though, /  
seriously.

1  
Yeah, no, yeah, okay,

2  
I was just, like, really overwhelmed  
I think when I called you.

1  
Yeah.

Long beat.

2  
Fuck, sorry, I missed the turn-

1  
Oh, yeah,-

2  
It was back a couple,

1  
Okay.

2  
Sorry.

Long beat.
